

NTF WORKSHEET

It's time to think about your career path...

What are you most interested in?

What 3 skills would you love to develop?

Thinking about these, which would help you achieve your dream job?

What would you rather do: develop a niche or have a broad set of talents?

What does your CV say about you? How can you build upon this?

Take these thoughts and go look at current job listings, have any caught your eye?
