Tally up your scores...

LET'S FIND OUT WHERE YOU FIT

Mostly A's: You're a creative soul. Try illustration and start making art prints, or get crafty with clay sculpting. If you're a designer, why not release a limited collection?

Mostly B's: Create a photography page or even a Youtube channel, your personality thrives in front or behind a camera - it's time to work on some mad editing skills.

Mostly C's: Start a social media marketing account to share your top tips, latest work, and current industry insights. Join the community and find your space in the digital world.

Mostly D's: Have you thought about writing a blog? Write down your ideas, start a creative journey diary, or share posts on hot topics in the industry.
